

WEB PAGE DESIGN FOR ONLINE STUDENT EXAM

Teacher side:

The UI mockup for the teacher side dashboard includes the following elements:

- University Logo:** A blue circle with the text "University Logo" inside, located in the top left.
- Home Button:** A button labeled "Home" in the top right header.
- Teacher Profile:** A blue circle profile picture, a text input field for "Name Surname", and a dropdown arrow, located in the top right header.
- Profile Menu:** A vertical list of buttons: "Profile", "Change password", and "Sign out", located to the right of the teacher's name.
- Menu Bar:** A vertical list of buttons on the left side: "Current Courses", "Add Student", "Ungraded Exams", and "Graded Exams".
- Welcome Message:** A box with a close icon and the text "Welcome back, Name Surname".
- Statistics:** Three boxes showing:
 - "You have # graded exams" with a link "See graded exams".
 - "You have # ungraded exams" with a link "See ungraded exams".
 - "You have # registered students" with a link "See students".
- Course Information:** A box showing "You have # courses" with a link "See courses".

This is the page that comes when we log in as a teacher. Here as you see we have logo on top left and on top right we have Home button following with chosen photo of current teacher, teachers name and surname. And addition to that when we click on Name and Surname “list” there will be 3 options called Profile, Change password and sign out. These will be in header.

On the left side we see Menu Bar. Here we have buttons that will help us doing corresponding tasks. In the middle we see a Welcoming text and below that there are different text containers with some information in them.

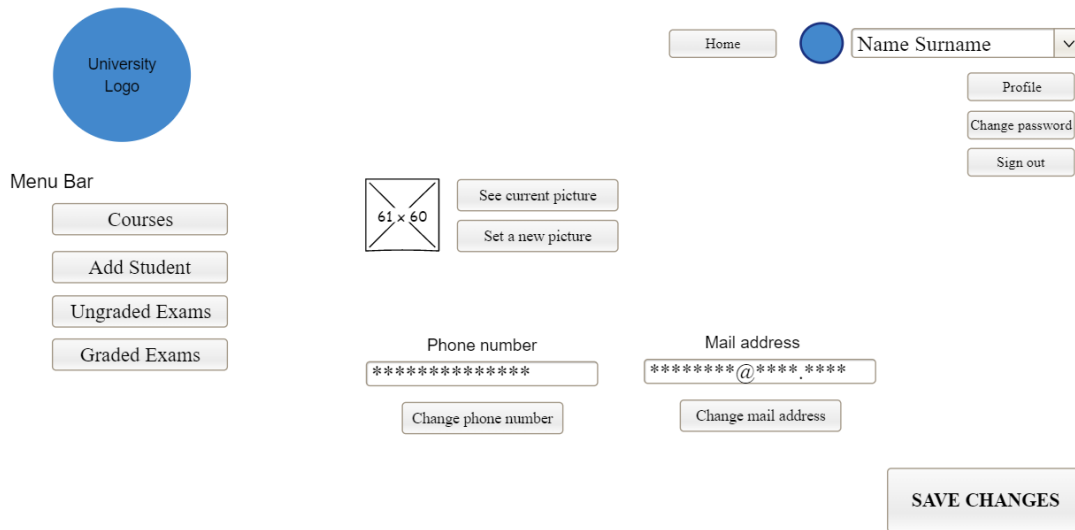

Home button is for returning back to this page.

If we press change password button;

The UI mockup for the password change page includes the following elements:

- University Logo:** A blue circle with the text "University Logo" inside, located in the top left.
- Home Button:** A button labeled "Home" in the top right header.
- Teacher Profile:** A blue circle profile picture, a text input field for "Name Surname", and a dropdown arrow, located in the top right header.
- Profile Menu:** A vertical list of buttons: "Profile", "Change password", and "Sign out", located to the right of the teacher's name.
- Menu Bar:** A vertical list of buttons on the left side: "Courses", "Add Student", "Ungraded Exams", and "Graded Exams".
- Password Change Message:** A box with a close icon and the text "Password Change".
- Form Fields:** Three input fields for:
 - Current password: [password input]
 - New password: [password input]
 - New password(again): [password input]

When we press the Profile button;

The profile page features a blue circular 'University Logo' in the top left. A 'Menu Bar' on the left contains buttons for 'Courses', 'Add Student', 'Ungraded Exams', and 'Graded Exams'. The top navigation bar includes a 'Home' button, a user profile icon, and a dropdown menu with 'Name Surname'. To the right of the dropdown are buttons for 'Profile', 'Change password', and 'Sign out'. The main content area includes a profile picture placeholder (61 x 60) with 'See current picture' and 'Set a new picture' buttons. Below this are input fields for 'Phone number' and 'Mail address', each with a 'Change' button. A 'SAVE CHANGES' button is at the bottom right.

Here we can see our profile picture, phone number, mail address and there are buttons to change them accordingly.

Clicking Courses button;

The 'Courses' page shows the 'University Logo' and the 'Menu Bar' with 'Courses' highlighted. The top navigation bar is identical to the profile page. A 'Courses' header with a close button is at the top. Below are two course cards. The first card for 'CSE236' (Web Programming) shows 23 students and 0 exams, with links to 'See students' and 'Add exam'. The second card for 'CSE101' (Java Programming) shows 76 students and 0 exams, with similar links. An 'ADD COURSE' button is at the bottom right.
